INDEX TO SUBJECT MATTER

Allergy and immunology:
  cardiac transplantation: immunosuppressive role of anticoagulation ... 226
  myasthenia gravis and immunity ... 72
  urticaria and angio-edema ... 33
American College of Physicians, Kansas Chapter, issue:
  atrial arrhythmia, unusual: multifocal atrial tachycardia ... 394
  coronary surgery, practical: aorto-coronary saphenous vein bypass graft ... 411
  glucose tolerance tests: routine assay of insulin ... 399
  persistent ventricular tachycardia: the use of Diphenylhydantoin ... 418
  reflux esophagitis ... 423
  renal transplantation ... 406
American College of Surgeons, Kansas Chapter, issue:
  splenic cysts ... 332
  thoracic outlet relief: first rib excision ... 329
American Medical Association: actions of house of delegates ... 57, 349
Appendages (see Skin)
Blood and lymphatics system:
  cardiac transplantation: immunosuppressive role of anticoagulation ... 226
  Hodgkin's, infections and neutrophils ... 185
  mystery virus: the elusive E-B virus ... 109
  rheumatic fever evaluation ... 106
  splenic cysts ... 332
Cardiovascular system:
  aortic valve replacement: prosthesis related complications 273
  atrial arrhythmia, unusual: multifocal atrial tachycardia 394
  cardiac:
    complications: periarteritis nodosa of infancy ... 78
    transplantation: immunosuppressive role of anticoagulation 226
  cardiomyopathy, functional obstructive: familial idiopathic hypertrophic subaortic stenosis in children ... 335
  coronary surgery, practical: aorto-coronary saphenous vein bypass graft ... 411
  midsystolic clicks and late systolic murmurs ... 276
  myocardial failure: ventricular aneurysm and adynamic areas ... 297
  pericardial cyst ... 369
  persistent ventricular tachycardia: the use of Diphenylhydantoin ... 418
  Raynaud's disease ... 228
  rheumatic fever evaluation: secondary prophylaxis program 106
  splenic arteriovenous fistula ... 224
  thoracic outlet relief: first rib excision ... 329
Dermatology:
  actinic keratosis: the advent of Fluorouracil ... 306
  incontinentia pigmenti ... 43
  neurofibromatosis with sarcoma ... 194
  Waardenburg's syndrome ... 301
Emergency care:
  new developments ... 85
  stab wounds of the head, neck, and thorax, multiple 371
Endocrine system:
  glucose tolerance tests: routine assay of insulin ... 399
Endocrinology:
  glucose tolerance tests: routine assay of insulin ... 399
  growth patterns and diabetes ... 135

Family practice:
alcoholism ... 1
streptococcal pharyngitis ... 201
Gastrointestinal system:
gastroduodenal visualization: fiberoptic esophagogastroduodenoscopy ... 269
glucose tolerance tests; routine assay of insulin ... 399
growth patterns and diabetes ... 135
non-operative visualization: per-oral transduodenal pancreatography and cholangiography ... 361
reflux esophagitis ... 423
Genetics:
neurofibromatosis with sarcoma ... 194
Waardenburg's syndrome ... 301
Internal medicine:
alcoholism ... 1
aortic valve replacement ... 273
atrial arrhythmia, unusual: multifocal atrial tachycardia ... 394
cancer prognosis ... 129
cardiac transplantation: immunosuppressive role of anticoagulation ... 226
cardiomyopathy, functional obstructive: familial idiopathic hypertrophic subaortic stenosis in children ... 335
CODAC: community organization for drug abuse control ... 16
coronary surgery, practical: aorto-coronary saphenous vein bypass graft ... 411
drug abuse ... 9
gastroduodenal visualization: fiberoptic esophagogastroduodenoscopy ... 269
glucose tolerance tests: routine assay of insulin ... 399
growth patterns and diabetes ... 135
Hodgkin's, infections and neutrophils ... 185
methadone programs ... 12
midsystolic clicks and late systolic murmurs ... 276
multiple sclerosis ... 87
myocardial failure: ventricular aneurysm and adynamic areas ... 297
mystery virus: the elusive E-B virus ... 109
narcotic antagonist: sublingual injection in acute heroin overdose ... 15
non-operative visualization: per-oral transduodenal pancreatography and cholangiography ... 361
pericardial cyst ... 369
persistent ventricular tachycardia: the use of Diphenylhydantoin ... 418
Pseudomonas pneumonia ... 280
pulmonary Nocardia asteroides: successful treatment with Sulfadiazine ... 265
Raynaud's disease ... 228
reflux esophagitis ... 423
rheumatic fever evaluation: secondary prophylaxis program 106
streptococcal pharyngitis ... 201
Sydenham's chorea ... 459
thoracic pseudomyxoma ... 217
Kansas Medical Society:
annual session:
alcoholism ... 1
CODAC: community organization for drug abuse control 16
drug abuse ... 9
methadone programs ... 12
narcotic antagonist: sublingual injection in acute heroin overdose ... 15
council minutes ... 211, 258, 388
house of delegates, report of ... 239
KUMS:
issue (see University of Kansas School of Medicine)
trauma conference:
shotgun wound of the abdomen, point-blank ... 197
stab wounds of the head, neck and thorax, multiple ... 371
Laboratory medicine (see Pathology)
Lymphatics (see Blood)
Medical history:
Abt, Isaac Arthur ... 376
Brenneman, Joseph ... 339
Musculo-skeletal system:
carpal tunnel syndrome ... 190
low back pain ... 101
myasthenia gravis and immunity ... 72
Perthes' disease ... 91
spondylitic cord compression: with focal destructive vertebral lesions ... 82
thoracic outlet relief: first rib excision ... 329
Nervous system:
cerebellar dyssynergia, progressive: the use of diazepam 138
homosexual aversion therapy: electric shock technique ... 103
marijuana by medical students, the use of ... 142
myasthenia gravis and immunity ... 72
mycoplasma infection, human ... 441
neurofibromatosis with sarcoma ... 194
operant conditioning procedures: conditioning in schizophrenic work ... 456
psychiatry, physicians and ... 367
spondylitic cord compression: with focal destructive vertebral lesions ... 82
Sydenham's chorea ... 4
Neurology (see Psychiatry)
Obstetrics and gynecology:
fetal monitoring ... 96
monitoring, the value of: fetal asphyxia and fetal surveillance ... 38
Oncology:
cancer prognosis ... 129
Hodgkin's, infections and neutrophils ... 185
multicentricity in cancer of the breast ... 48
neurofibromatosis with sarcoma ... 194
Ophthalmology:
quantitative perimetry: visual field assessment ... 115
Waardenburg's syndrome ... 301
Orthopedics:
carpal tunnel syndrome ... 190
low back pain ... 101
Perthes' disease ... 91
spondylitic cord compression: with focal destructive lesions 82
Otolaryngology:
streptococcal pharyngitis, diagnosis of ... 201
Waardenburg's syndrome ... 301
Pathology and laboratory medicine:
glucose tolerance tests: routine assay of insulin ... 399
Hodgkin's infections and neutrophils ... 185
multiple sclerosis ... 87
mycoplasma infection, human ... 441
